DEMAND FORECASTING FOR MANAGERS (PAPERBACK)

Business Expert Press, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. Most decisions and plans in a firm require a forecast. Not matching supply with demand can make or break any business, and that's why forecasting is so invaluable. Forecasting can appear as a frightening topic with many arcane equations to master. For this reason, the authors start out from the very basics and provide a non-technical overview of common forecasting techniques as well as organizational aspects...
